# **HOW TO IMPROVE ACCESS TO BASIC NEEDS IN SÃO LUÍS**

In São Luís some **communities** suffer from many deprivations, on the other hand, there are **NGOs** and **volunteer's groups** working with them.  
Both of them are mostly **unknown** to the rest of the city.

# INSIGHT

”

I have tried to get in contact with other volunteer groups, but I couldn't (...)  
Even if we want to work together it's really difficult to get in touch with other volunteer projects."

A dark, blue-tinted photograph showing two people in the foreground holding hands. The person on the left is wearing denim overalls, and the person on the right is wearing a light-colored t-shirt. In the background, a crowd of people is visible, suggesting a community gathering or a public space. The overall mood is one of solidarity and connection.
